## Qio Folding Lock "Folding Lock"

### Description

Secure connection without much effort: The Qio Folding Lock offers you exactly the flexibility you need for everyday use with your Qio EINS, Compact or Long. With its 120 cm length, the Folding Lock offers enough leeway to securely lock your bike to fixed points - whether in the city, at home or at the campsite. At the same time, handling remains uncomplicated so that locking is done quickly and your everyday riding comfort is maintained. (Security level 10 out of 15). The Holder of the Lock is mounted directly on the bike or on the mounts on the front carrier.
