### Description

**High safety with style factor**
Conspicuous and safe: the "Roadie" Reflective Vest from WOWOW makes cycling in the dark and in poor visibility more pleasant. It has a fluorescent yellow color and is equipped with diagonal, 7 cm wide Relfex stripes on the front and back.
The safety vest is available in a version with and a version without 5 red LEDs on the back. The vest with the LEDs offers maximum visibility and safety as an additional feature.

With its zipper on the front, the "Roadie" can be opened and closed quickly and easily. It also has an extended back and a reflective side pocket.
The safety vest also offers excellent breathability with the highest level 3. This means that it lets a lot of water vapor through.
The "Roadie" is available in all sizes from S to XXL.
