Website

https://www.contec-parts.com

Article number:	03709730
Original number:	YC-335C0
EAN:	4250311337425
EVP:	**15.95 €**

Description

Chains can be handled easily and safely with reusable master links. The CONTEC "Multi I/O" master link pliers allow the chain to be opened and closed easily: To open, the pliers are inserted between the two pins of the master link and the handles are pulled apart. To close, the two halves of the master link are simply put together, pressed together with the pliers and thus made to snap into place.

Ideal for easy removal of the chain, for replacement or for thorough cleaning.

Technical data

Design	chain
Main colour	black
Material	steel
Weight	0.137 kg
Use	chain
