Article number:	03709052
Original number:	1085
EAN:	4250311303000
EVP:	**10.95 €**

Description

Intact sprockets enable fast shifting and maximum riding pleasure. With the CONTEC freewheel puller, SHIMANO freewheels can be easily removed from the hub. For this purpose, it is simply inserted into the freewheel and then enables the sprocket to be unscrewed with a 1/2" ratchet or a 21 mm socket or ring spanner.

The CONTEC freewheel puller is an indispensable tool for repairing drivetrains with freewheel and supplements a well-equipped bicycle workshop.

Technical data

Design	sprocket
Main colour	black
Size in inch	1/2 "
Material	steel
Weight	0.065 kg
Use	sprockets
