EAN: 4260416642362

EVP: 14.95 €

Description

When fenders just aren't enough

If it's raining like crazy and the fenders can't cope with the incessant splashing water, the "Mud Flap" from Qio can help. The flap is made from recycled tarpaulin and, thanks to the flexible metal strip, can be quickly and easily mounted on both the front and the rear fenders. The mud flap protects both you and other cyclists from dirt and splash water.
