

Castrol Engie oil "Power1 Ultimate 2T"

Description

CASTROL engine oil "Power1 Ultimate 2T"

2-stroke, semi-synthetic

Specially developed for use in modern high-speed and high-performance 2-stroke engines. Its innovative, fast-burning and highly protective formulation makes it possible to get the maximum performance out of highly tuned motorbike engines. The oil is suitable for both oil injection systems and premix systems with mixing ratios of up to 50:1. Thanks to its outstanding properties, it ensures excellent engine cleanliness and offers exceptional protection against deposits and engine damage. It contributes to the longevity and reliability of the engine, even under extreme conditions. Specifications and approvals: **API TC, JASO FD, ISO-L-EGD, 4l canister**

Article number:	05706965
