

BASIL Twin Bag "Wanderlust - Double Bag"

Description

As colorful and flexible as a bird

The "Wanderlust Double Bag" is a black double pannier with a colorful bird pattern. With this trendy bike bag, you can go to the supermarket or visit your girlfriend in a good mood.

Should it rain on the way? No problem! In this case, the water-repellent material ensures that the contents of the Bag stay dry. The double pannier has 2 straps on the top for, for example, lashing straps, a child seat or a Spring Clamp.

The pannier can be closed using buckles. It is suitable for various carriers (including e-bikes). The reflector details on the sides ensure that you are more visible in the dark. The capacity of this double pannier is 35 liters. This offers enough space for shopping, clothing or other items.
