

CONTEC Mobile Phone Bag "Via.Phone"

Description

It pinches and tweaks with every pedal stroke: the cell phone in your pocket. Comfortable cycling with smartphone definitely means something different for you? Then the CONTEC smartphone bag VIA.PHONE is exactly your thing. For easy operation of the cell phone on the road, the compartment is equipped with a transparent film. In addition, the water-repellent bag has a practical inner compartment to have things of daily use such as keys and wallet always quickly at hand on the go. With a capacity of 0.6 liters, it has the optimum size for this. The mounting on the wheel is done with a Rixen & Kaul Quad adapter, which is included with the smartphone bag.
