

EXCELSIOR City bike "Swan-Retro FT Alu" Mod. 24

Description

The "Swan-Retro FT Alu" from Excelsior exudes the flair of a classic city bike with its elegant flexible arm. With its aluminum frame, however, it is not only more modern, but also lighter.

The upright and elegant frame not only ensures style, but also good visibility in traffic. Perfect for your daily commute to university or the office. With the front carrier, you can also keep an eye on your luggage. And the rear Carrier offers space for panniers or can be loaded with a lashing straps. The Steering Stabilizer ensures that the Front Wheel remains stable when parking and loading.

The bike is also fully equipped in accordance with road traffic licensing regulations. With the modern and reliable lighting system with Hub Dynamo, LED Front Light and Rear Light, you will not only be seen, but also always have full visibility.
