

CONTEC Mudguard set "Splash Protect DLX"

Description

Splash Protect DLX

The matte black or silver-colored "Splash Protect DLX" mudguards from CONTEC are sturdily made of aluminum. They hold securely on the wheel over the 4 mm thick, black satin steel struts. The struts for the front mudguard are equipped with a Mini Clip XL safety system should about a branch get into the spokes, the struts are released from the otherwise stable connection.
