

AXA Battery LED Light Set "DWN 30"

Description

Make your bike rides safer with the AXA Battery LED Light Set "DWN 30". This Set offers 30 lux brightness so that you can always see and be seen. The "DWN 30" LED Front Light illuminates your path, while the "DWN" LED Rear Light ensures that you are also clearly visible from behind.

The best thing? You can charge the lights conveniently using the USB Cables supplied. No more battery changes! Simply plug in and ride off.
