

Product data sheet

RMS Crankshaft

Article number:	71232961
Original number:	100010250
EAN:	99999999
EVP:	106.95 €

Technical data

Design	crankshaft
Features	standard

Description

RMS Crank Shaft

Standard crank shafts correspond to the original crank shaft; the ABE remains valid.

Sport crankshafts are not StVZO-approved!

Some sport crankshafts feature polished connecting rods; the modified crankshaft journals (solid journals) result in increased pre-compression and improved gas flow. The resulting higher RPMs lead to improved starting performance and better overall power output. Recommended for use with tuned cylinders., **Standard**
