Description

Loud & light
CONTEC offers a special bell for e-bikes with the "Ring-e-Ding". The materials of this high-quality model are hand-picked. The aluminium and plastic base of the bell are light, robust and rust-free. Therefore, the bell is particularly durable.

This bell is easy to install on the bicycle by means of standard clamping. The diameter is 42 mm. This bicycle bell in classic black creates a loud "Ring-e-Ding" that cannot be overheard.
