Article number:	02652290
:	
EAN:	4251971194861
EVP:	**4999.00 €**

Description

The QiO Long CL5x brings movement into everyday family and work life. Depending on the accessories you choose, the long cargo rack platform can accommodate passengers or cargo. With a payload capacity of up to 80 kg on the platform and a gross vehicle weight rating of 200 kg, it opens up possibilities for trips to daycare, big shopping trips, or rides with a lot of gear.

The Bosch Cargo Line drive system assists with rides carrying extra weight. In addition, the 800-Wh battery provides enough capacity for longer daily routines and extended trips. The Shimano Nexus 5E hub gear system is complemented by a gear sensor. When shifting gears, this sensor briefly reduces motor power, allowing for smoother shifting even under load.

An SR Suntour Suspension Fork absorbs bumps, while hydraulic Magura 4-piston disc brakes ensure controlled deceleration. The Gates CDX belt drive transmits power, and the Briq-S Front Light illuminates the path with 60 lux. Side body parts and footboards are included as standard equipment.

,

Technical data

Battery capacity	800.0 Wh
Features	suspension fork, system carrier, chain guard, electronic sliding aid, fender
Colour designation	lead metal
Travel	80 mm
Gender	unisex
Gears	5-speed
Type	transport bike
Wheel size	20 "
Material	aluminium
Engine power	250 W
Frame height	48 cm
Weight	39.400 kg
Stem length	80.0 mm
Passage width	195 mm
Access height	457 mm
Chainstay	755 mm
Wheel distance	1400 mm
Reach	600 mm
Seat tube	495 mm
Seat angle	70.5 °
Stack	540 mm
Steering tube	220 mm
Steering tube angle	71.0 °
Standover height	457 mm
