Description

The AX Rear Kickstand from HEBIE
It may be somewhat inconspicuous on the bike, and it only comes into play when the bike is stationary. But then the Rear Kickstand "AX" from HEBIE simply ensures that the bike doesn't fall over. And it really comes into its own with a lot of luggage in the basket, in the panniers on the Carrier or with a child in the child seat. It offers standing and standing comfort on city and trekking bikes in the sizes 26", 27.5" and 28". The length of the stand can be variably adjusted to these sizes.
The fact that you hardly need to pay any other attention to the "AX" is due to its high-quality production and ease of use.
