Description

Keep your smartphone secure and stylish on the steering tube! With the Bug Twist Smartphone Bracket, you can securely attach your phone without cluttering up your handlebars. The Bug Twist is made of lightweight aluminum and fits all standard smartphones. Using the included Inside Hexagon Wrench, you can easily attach the Holder to your steering tube. The rubber insert protects your bike from paint damage.

If you want to use your smartphone for navigation, for example, you can rotate it 360° thanks to the Holder's convenient twist function. With the Bug Twist, you'll be perfectly equipped for your next bike ride!
