

CONTEC Control tube adapter "HTM.KF QiO"

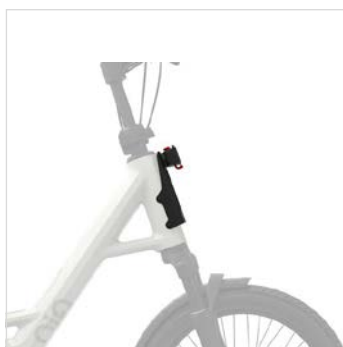

Description

The CONTEC HTM.KF QiO front rack was developed specifically for the compact QiO bikes and blends perfectly—both visually and functionally—into the frame design. The integrated Klickfix mount makes it easy to securely attach baskets or bags to the bike—and just as quick to remove them. With a load capacity of up to 7 kg, the rack is ideal for daily shopping, commuting to the office, or short rides.

The high-quality, powder-coated aluminum ensures stability and durability while remaining lightweight. Of course, the HTM.KF QiO is ISO 11243 certified and thus meets high safety standards.

With the CONTEC HTM.KF QiO, your QiO bike gets a custom-fit, durable, and safe transport upgrade.
