

CONTEC Curly Cable Lock "Lord 185/12"

Description

High-quality security for your bike: The CONTEC Lord Combo 185/12 is a Curly Cable Lock rated at Security Level 5, making it ideal for a stroll through town, for example.

With all our locks, the names always indicate their length and diameter—so the Lord Combo 185/12 is 185 cm long and 12 mm thick. It's encased in a durable vinyl coating that protects not only the Lock itself but also your bike's frame. Speaking of bike frames: With the included Holder, you can easily attach the Lord to your bike—for example, to the frame or the Seatpost.

The highly flexible steel cable can be securely locked using a 4-digit combination.
