

BASIL Shopping Bag "Urban Dry"

Description

Trendy for the bike & for carrying

The BASIL "Urban Dry Shopper" is a trendy, waterproof bike bag. It is ideal for a bike tour with friends, a bike ride to the gym or for shopping. Thanks to the Bag's welded seams and waterproof material, your bags will stay completely dry in the event of a rain shower.

The Bag can be closed using an adjustable folding fastener. It can also be easily attached to various carriers (including e-bikes) using the 'Hook-On' system. The shopper has various compartments, a compartment on the outside and a zippered compartment on the inside.

You are well prepared for the dark thanks to the reflector details and the option of attaching LED lighting. All you have to do is think about the lighting yourself.

The bike shopper is made of polyester, has sturdy handles / grips, vegan leather details and a green buckle to prevent loss on the go.
