URSUS Double Leg Kickstand "83 - Hopper"

Description

The Double Leg Kickstand Hopper from URSUS

It really isn't the first thing you notice on the bike, and it only really comes into its own when the bike is stationary. But then the "Hopper" Double Leg Kickstand from URSUS simply ensures that it doesn't fall over. Made from aluminum, the "Hopper" fits city and trekking bikes in size 28".

During development, URSUS put all its know-how into the user-friendly, high-quality and durable stand. There is an Adapter Plate on the bottom bracket for mounting the Double Leg Kickstand. Everything you need for mounting is included in the scope of delivery.
