

Product data sheet

CONWAY Electric SUV "Cairon C 2.0 " (#2)

Description

With the Cairon C 2.0, it's not the adrenaline rush that takes center stage, but rather that calm feeling of simply hopping on and riding off. Commuting, running errands, weekend rides, cobblestones, paved park trails—anything is possible. The Bosch Performance Line PX mid-drive motor delivers smooth, powerful propulsion when you're tackling long rides, carrying gear, and navigating everyday life. The 120-millimeter Suspension Fork filters bumps, hydraulic disc brakes provide safety, and the practical, everyday-friendly features round out the bike.
