

Product data sheet

SHIMANO Cassette "105 CS-R7000"

Description

SHIMANO "105" 11-speed cassette

The SHIMANO "105" is extremely popular among road cyclists. Impeccable function, easy maintenance and superb performance ensure that the groupset has nothing to hide from its more expensive siblings. The milled steel "CS-R7000" of the "105" groupset is suitable for 11-speed drivetrains and is available in various gradations.
