KÄRCHER High pressure cleaner "HD 6/15 C"

Description

KÄRCHER "HD 6/15 C" High Pressure Cleaner

Cold water, AC (230 V), flow rate 560 l/h, working pressure 150 bar

Suitable for upright and horizontal operation. Automatic pressure relief, EASY!Force high pressure gun, EASY!Lock Quick Release Fasteners.

Technical Specifications: Operating pressure 150 bar, max. pressure 225 bar, inlet temperature 60 °C (max.), Connecting Cable 5 m, weight 25.6 kg

Scope of delivery: 1x EASY!Force handheld spray gun, 1x high-pressure tube (10 m), 1x spray lance (840 mm), 1x dirt blaster, 1x power nozzle (25°),

Dimensions: (L x W x H) 380 x 360 x 930 mm

Article number:	89668310
Original number:	1.520-890.0
EAN:	4066529151766
EVP:	952.95 €

Technical data

Working pressure	150.0 bar
Design	HP cleaner
Width	36.0 cm
Width	360.0 mm
Features	mains operation, mobile
Range of application	high / low pressure cleaner
Main colour	grey
Secondary colour	black
Accent colour	yellow
Flow rate	560 l/h
Height	930.0 mm
Height	93.0 cm
Cable length	5.0 m
Power	3.0 W
Length	380.0 mm
Length	38.0 cm
Material 1	plastic
Material 2	steel
Voltage	230 V
