

CONTEC Battery LED Light Set "DLUX micro power 120"

Description

Bright & easy to use

The battery light set "DLUX micro power 120" consists of a bright "DLUX" front light and a LED rear light. The CONTEC front light offers four brightness levels with 20, 40, 80 and 120 lux bright illumination. For the short way home, the front light illuminates the way very brightly. The integrated and removable 5000 mAh lithium-ion battery grants a running time of up to 30 hours (in level 1) and can be charged virtually anywhere via the included USB-C cable. Just like the rear light, which has a burn time of up to ten hours with 8 lumens. For charging, only the rear light must be removed, the holder remains on the seatpost.
