

Product data sheet

BRENNABOR City bike "C-13" Mod. 24

Description

The city bike is made of aluminum and has a 3-speed SHIMANO "Nexus" hub gear. Drives are provided by a chain drive. It is equipped with Rim Brakes and a coaster brake. A Hub Dynamo provides the lighting. The lower entry makes it easier to get on and off the bike. Fenders and a Chain Guard are also available. The system luggage carrier allows bags or luggage to be attached. The permissible system weight is 130 kg, which underlines the robustness of the bike.
