### Description

The Melon "Mosaique" Helmet not only stands for safety, but also for a beautiful look. Thanks to the innovative in-mold technology. This technology is an injection molding process that makes the material more resistant and robust. It also saves up to 30 percent in weight compared to other helmets. The Fidlock magnets and built-in Coolmax padding ensure a perfect fit. The Coolmax padding can be washed and replaced at any time. Another highlight is the Vista visor, which protects you from the bright sun with UV 400 protection. Thanks to the large selection of colors, you will definitely find the right one for you.
