Description

CONTEC rearview mirror
Everything in view - even behind you. The CONTEC rearview mirror "E-View Evo GL" is universally suitable for mounting on the handlebar (22,2mm) on the right or left side. The special clamping device attaches the mirror directly to the grip, which keeps the cockpit very clear.

The lens is made of safety glass with Dazz lens and reflects up to 75% less than comparable models. The mirror is individually adjustable and has an arm length of 145mm. Lens size: 97 x 68mm.

Technical data
