

CONTEC Chain "eNHANCED Drive eD.10"

Description

Reliability & quality for E-bikes

E-bikes with 10 speeds are ideal for daily commutes to work or taking a relaxing ride. If you want optimal riding pleasure with an e-bike, you should pay attention to quality and durability when choosing the drivetrain components. The "eNHANCED Drive eD.10+" chain by CONTEC is ideal for all drivetrains with a 10-speed cassette and, thanks to hardened pins, is particularly durable as well as wear-resistant under high continuous loads.

The "eNHANCED Drive eD.10" chain is therefore a good choice for all e-bikes with a 10-speed cassette and a powerful mid-motor. The chain is available in the dimensions 1/2" x 11/128" with 136 links. Thanks to the supplied master link, the assembly and disassembly of the chain is particularly straightforward.

The "eNHANCED Drive eD.10" chain is particularly suitable for those who have high demands on the reliability and quality of their drivetrain components thanks to its robust construction.
