Article number:	03709706
Original number:	YC-1858S
EAN:	4250311337395
EVP:	**22.95 €**

Description

With high-quality aluminium and steel frames, removing the headset bearing cups of common 1", 1 1/8" and 1.5" mm head tubes with the right tool is simple and doesn't cause scratches. The remover is inserted through the head tube from above or below until the flared end slips behind the bearing cup. The cups are then simply driven out of the frame with a small hammer on the protruding end of the tool.

A must have for any well-equipped bicycle workshop.

Technical data

Design	fork / headset
Main colour	silver
Material	steel
Weight	0.400 kg
Use	headsets
