Product data sheet

by,schulz Stem Holder "SDS Link"

Article number:	03165840
Original number:	12042
EAN:	4251239317452
EVP:	**29.95 €**

Technical data

Design	Ahead
Main colour	black
Material 1	aluminium
Weight	0.036 kg

Description

Light in the right place
Tidy and in exactly the right place: The BY,SCHULZ "Stem Docking System", or "SDS" for short, allows the stable mounting of attachments and accessories directly on the Stem.

For this purpose, a corresponding link is pushed into the mount of the SDS front cap from the outside when the Handlebar is mounted and fixed in the desired position with a clamping screw. The BY,SCHULZ "SDS Link" thus enables the mounting of various lamps and other adapters.
