EXCELSIOR City bike "Touring Niro" Mod. 24

Description

The perfect everyday companion

Equipped for the city: The "Touring Niro" from Excelsior has all the features and comfort you need for comfortable rides in the city. This affordable bike gets you from A to B safely and reliably.

If you use your bike for many short trips in everyday life, you want something like an all-round carefree package with extensive features. This is what the "Touring Niro" has to offer. Among other things, the large Carrier stands out, on which you can easily stow your shopping, for example. Meanwhile, the 3-speed "Nexus" hub gears from Shimano with coaster brake have proven their worth.

In the dark hours, the rider benefits from the high-quality lighting. In addition, parts such as Fenders, a Chain Guard and a stand are a matter of course on this model.

The Touringsport (TSP) frame of this bike is beautifully designed, although it also looks good with a men's frame. There are also various attractive paints to choose from.

The "Touring Niro" from Excelsior is just right for relaxed cruising through the city. At a very fair price, this city bike offers a comfortable ride.
