Description

Start your day relaxed with the QiO "EINS P-5" e-bike. Whether it's to the bakery, through the fields or across the campsite - the smart Bosch system (BES3) ensures a fully connected ride.

The "EINS P-5" offers the Bosch "Performance Line" engine, a 545 Wh Battery and the "Intuvia 100" Display. The 5-speed Shimano "Nexus" hub gears and the low-maintenance Gates CDC Straps guarantee smooth power transmission. With its 20" wheels, the e-bike is maneuverable and ideal for narrow city streets, where the sprung parallelogram seatposts offer plenty of comfort and are theft-proof.

The compact design makes it easy to take with you, whether in the car or camper van. Foldable pedals and rotating Handlebars save space. Ideal for commuters who just want to get going.
