

CONTEC Rearview Mirror "E-View"

Description

The "E-View" rear-view mirror provides an excellent overview on an e-bike or bicycle. The special feature here is the 360° adjustable mirror head with stainless steel lens. This gives you a very good view of everything around you.

The mirror is equipped with the Glare lens, thanks to which up to 50 % less reflection is produced.

Ideal for e-bikes, this rear-view mirror features a robust nylon frame with fibreglass content.

It is suitable for handlebars with a diameter of 22.2 mm.

The "E-View" by CONTEC is available for mounting on the left side as well as for mounting on the right side.
