

Product data sheet

MIRANDA Crank "Delta 0"

Description

MIRANDA Crank Spider

The Delta 0 from MIRANDA is a right-hand crank arm and 170.0 mm long. Because the crank is made of aluminum, it lasts particularly long and saves weight. It fits the square bottom bracket of your bike. The crankset is designed to withstand the high forces on pedelecs. This is what the addition "E-Bike-special" stands for.
