

Product data sheet

SONAX Cleaner "MultiStar SX "

Description

SONAX Cleaner "MultiStar SX"

universal, concentrate, NTA-free power cleaner for the pre-cleaning in car wash installations

For high pressure, hot water and steam jet devices, as well as for the manual use. Dissolves oil, grease and protein contaminants (e.g. insects) from all hard surfaces. Quick-separating and easy-to-clean, easily biodegradable with pleasant scent for inside and outside. Powerful, but material gentle cleaner for thorough cleaning of trucks, agricultural and construction machinery and for the extensive cleaning of equipment, machinery, floors, work surfaces, conveyors, tiles, façades, textiles, etc. Also suitable for the food industry.

Note: Do not use product in its purest form! Depending on the degree of soiling dilute with water and spray on.

Recommended application concentration:

On robust surfaces 1:5 to 1:30 and on sensitive surfaces 1:10 to 1:50

Allow to act for a maximum of 3 minutes. Treat stubborn dirt with sponge or brush. Then rinse thoroughly with high pressure., **10l canister**
