Option 1 / 2 / 3

ABG mitführen / Carry ABG

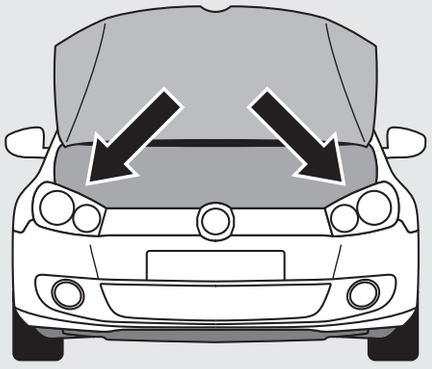

Bitte führen Sie die ausgedruckte Allgemeine Bauartgenehmigung (ABG) stets mit sich, wenn Sie mit dem Fahrzeug unterwegs sind.

Dieses Produkt darf nur im Rechts-Verkehr verwendet werden. Vor einer Fahrt in ein Land mit Links-Verkehr, z.B. nach Enland, ist eine Rück-Rüstung auf Halogen-Lampen notwendig.

Please keep the printed ABG certificate (Allgemeine Bauartgenehmigung) with you at all times while driving the vehicle.

This replacement lamp is only approved for use in right-hand traffic. Before travelling to a country with left-hand traffic, e.g. England, a re-fitting of the halogen lamps is necessary.

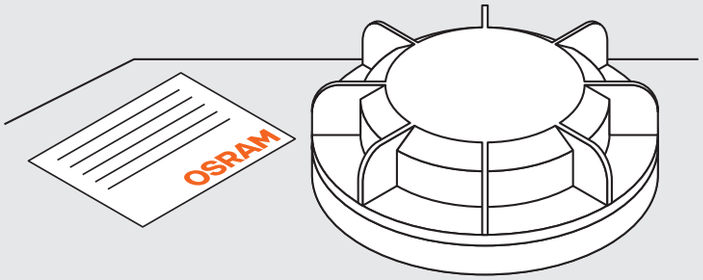

Teile befestigen / Mount parts

Das Produkt inklusive der Kabel und die Zusatzteile muss so installiert werden, dass es zu keinen Beschädigungen kommt. Achten Sie bitte darauf, dass alle Teile ordnungsgemäß befestigt sind, damit bewegliche Teile oder Funktionen des Fahrzeugs nicht beeinträchtigt werden.

The product inclusive the cables and accessories must be installed in a way that no damages occurs. Please make sure that all parts are fixed properly to avoid interference with any moving part or function of the car.

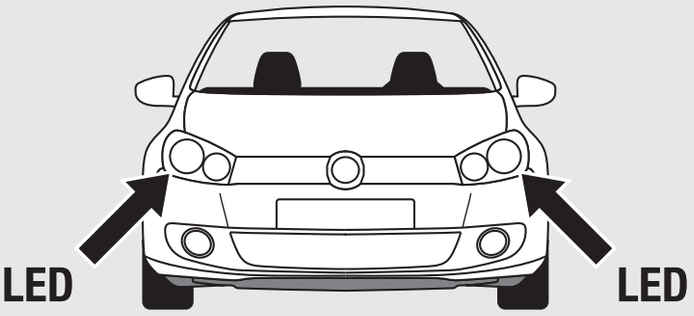

Aufkleber anbringen / Attach sticker

Bitte bringen Sie den mitgelieferten OSRAM-Aufkleber gut sichtbar im Motorraum an.

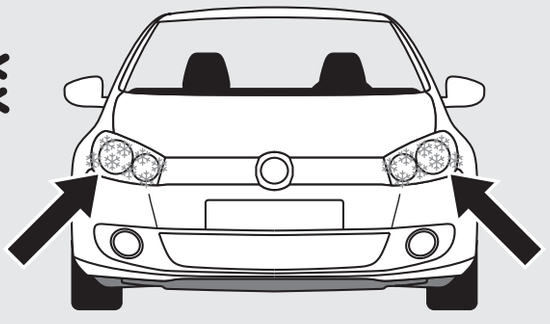

Please make sure to attach the provided OSRAM sticker in a visible place in the engine compartment.

Scheinwerfer einstellen / Adjust headlamps

Der Austausch der Scheinwerferlampe erfordert die Anpassung der Scheinwerfereinstellung durch eine qualifizierte Werkstatt.

The change of the headlamp requires the readjustment of the headlamp setting by a qualified workshop.

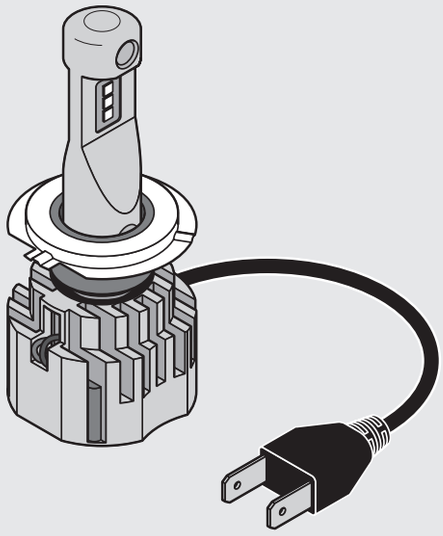

Das Enteisungsverhalten und die Enttauung können sich aufgrund des Wechsels von Halogen zu LED verändern.

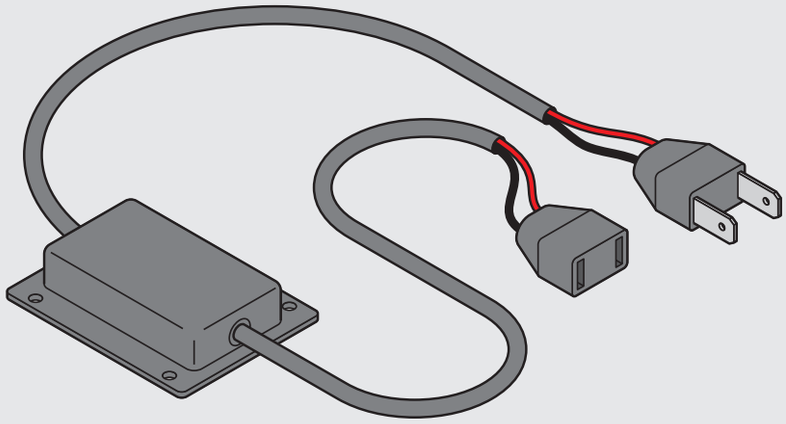

The deicing and defogging behavior can change when switching from halogen to LED.
