Description

ACE BIKES transport lock "Tyrefix Ratchets"

Ratchets with fastening hooks for retrofitting the Tyrefix Essential Set (0.576.099/7) or for replacing the existing ratchets of the Tyrefix Pro Set (0.576.068/2). **Strap width: 3 cm.**

Note: The ratchets cannot be used separately, but are only designed for the two Tyrefix sets described.

The Tyrefix can be used to additionally secure the front or rear tire on a trailer or transport vehicle. The vehicle must also be secured with other lashing straps in order to secure it for transportation in accordance with regulations. It must not be used alone for transport securing!, **set**
