Castrol Engine oil "Classic XL"

Description

CASTROL "Classic XL" Motor Oil

20W-50, 4-stroke, mineral-based, **Manufacturer's Specifications /**

Recommendations: API SE/CC.

Special multi-grade engine oil for classic cars manufactured between 1950 and 1980. This engine oil bridges the gap between low-alloy single-grade engine oils and modern, highly additive-enhanced lubricants. It provides superior wear protection with excellent oil pressure performance, even under heavy loads.

Note: Please follow the manufacturer's specifications., **5-liter canister**
