

SAPIM Spoke "D-Light"

Article number:	07508641
Original number:	GEDL1426400ZOISAP104
EAN:	5400540257479
EVP:	1.36 €

Technical data

Diameter	2,00 / 1,65mm
Main colour	black
Length	264.0 mm
Material	stainless steel
Weight	0.007 kg
Spoke form	smooth

Description

SAPIM spoke "D-Light"

double butted, Ø 2,00 / 1,65 / 2,00mm, stainless steel 18/8

nickel-plated, **application MTB-Disc Brakes, 29" Disc Brakes**. The short 2mm diameter section reduces weight especially on the threaded side, the Ø start at the beginning of the thread, the rotating masses at the end of the spoke are reduced - benefits by braking and acceleration. The middle section 1,5mm is increased to 1,65mm which makes the spoke much stiffer. Please order nipples separately.

packaging unit: 100 pieces (MOQ), 264mm long, black
