

Product data sheet

CONTEC Battery Bag "Via.Battery"

Description

Well padded along the trip

The sun is shining, the e-bike sits firmly on the rear rack. It's time for a bike trip to the North Sea. You've removed the battery to be on the safe side - you never know. But where to put it now? The VIA.BATTERY battery bag from CONTEC is well padded inside, so that nothing happens to the battery during transport. Plain black, it is available in two versions, so that it is exactly suitable for your frame or rack battery.
