

CONTEC Control Lever "Drop-A-Road"

Description

Let's hit the road: The CONTEC "Drop-A-Road" is the appropriate control lever for road bike and gravel bike for our dropper seatposts, such as the CONTEC "Drop-A-Gogo". The handlebar clamp has a diameter of 24mm and is suitable for road handlebars. For mounting, only the clamp must be fixed with an inside hexagon wrench and the cable has to be connected to the respective seatpost. You can now operate the lever to change the height of the adjustable seatpost in no time.
