GLORIA Fire extinguisher "Pro Line "

Description

GLORIA Fire Extinguisher "Pro Line" Foam extinguisher, fire class AB

Areas of application: Offices and surgeries, industry with flammable liquids, department stores, municipal facilities, plastics processing, administration and production areas, sales and storage areas, workshops, living areas, etc. Strike button actuation, extinguishing gun with spray nozzle, operating range: 5° C to +60° C.

Patented Gloria piston cartridge system. Easy to service as foam concentrate in separate, pre-assembled piston cartridge (no floating cartridge!) separate from the water. Water without additional extinguishing substances, therefore environmentally friendly. Large, maintenance-friendly filling opening. Green identification color as an eco-tip., **"SK 6 Pro", 6kg** extinguishing agent, extinguishing power: 21A 233B, LE (A / B-Rating): 6 / 15

Article number:	31200298
Original number:	801641.0000
EAN:	4006325230388
EVP:	236.85 €
