

SRAM Chain "PC GX Eagle"

Description

SRAM "PC GX Eagle" chains

The "GX Eagle" groupset convinces: no matter when, no matter where and no matter on which MTBs. A gigantic 520 % range, first-class function and a cool look ensure that the "GX Eagle" components are finding their way onto more and more MTBs. The "PC GX Eagle" with silver nickel-plated outer plates is compatible with your 12-speed drivetrain. The PowerLock lock allows you to lock the chains securely and without tools.
