### Description

**For long caper rides**
For all young bike pirates on tour: the new "Pirate" from CONTEC offers plenty of comfort for long caper rides as well as many practical details. The elastic backhand fabric not only scores points with the eponymous print, but also with its air permeability and optimum fit. Meanwhile, the padded palm absorbs the shocks that reach the Handlebar. With a "pull-off system" for quick and easy removal, a terrycloth thumb for wiping away sweat and a Velcro fastener for a secure fit.
