## Qio Transport Carrier "Ben"

### Description

The "Ben" front carrier can carry a load of up to 15 kg and is attached to the steering tube of your Qio bike with a 4-point mount. It has a height-adjustable Klickfix adapter with a lock, into which you can quickly and easily click suitable bags and baskets. The inserted aluminum plate increases the contact surface.

The "Ben" front carrier is only suitable for Qio EINS models and the Compact AP8.

An additional adapter is required to attach the front carrier to the EINSx.
