

## CONTEC Operating Unit "DLUX E-XTENT"

### Description

#### CONTEC Operating Unit "DLUX E-XTENT"

Spare radio button for operating CONTEC high beam head-lamp "DLUX 120 E-XTENT", with CR 2477 Coin Cell (replacement: 0.315.055/6), black, **with Contec G-Link system** - due to the special clamping device, the button is attached directly to the CONTEC Merge grip, which results in an orderly and clear handlebar image
