

hebie Rear Kickstand "Fox"

Description

The Fox Rear Kickstand from HEBIE

It may be somewhat inconspicuous on the bike, and it only comes into play when the bike is stationary. But then the "Fox" Rear Kickstand from HEBIE practically ensures that the bike doesn't fall over. And it really comes into its own with a lot of luggage in the basket, in the panniers on the Carrier or with a child in the child seat. HEBIE has designed the plastic and steel stand for city and trekking bikes with 26", 27.5" and 28" wheel sizes. It can be adjusted to the desired length.

Thanks to the choice of materials and the high-quality manufacturing, the "Fox" is comfortable to use and lasts a long time.
