bollé Helmet "Avio Mips "

Description

The "Avio MIPS" is the perfect choice for discerning cyclists looking for a Bollé helmet that meets the highest safety standards, is lightweight, and offers optimal comfort.

The innovative MIPS Air technology sets a new standard in safety. In the event of an oblique impact, the helmet shell moves relative to the head, protecting the brain from rotational forces and preventing certain injuries.

The helmet's Strike-Cage construction ensures maximum ventilation thanks to generous openings at the front that allow for optimal air circulation. In addition, the helmet's Opti-Dock provides a secure Holder for glasses of all sizes. This way, you'll have your glasses quickly at hand when it's time to get back to work after your coffee break.

The in-mold shell construction ensures high durability combined with low weight, while the Performance Click-to-Fit system offers optimal fit and high comfort. Thanks to this system, the "Avio MIPS" can even be worn with a ponytail and is individually adjustable for every cyclist.

Article number:	03655624
Original number:	BC002019
EAN:	0840332262970
EVP:	274.95 €

Technical data

Features	MIPS, sunglasses garage
Range of application	road
Colour designation	neo white matte
Main colour	white
Gender	adult
Design	In-Mold
Head circumference	52, 53, 54, 55 cm
Head circumference up to	55 cm
Head circumference from	52 cm
Material	plastic
Closure system	buckles
Adjusting system	Click-to-Fit
