PLETSCHER Rear Kickstand "Comp"

Description

Rear Kickstand Comp by PLETSCHER

If you use your bike every day, you need one with a stable Rear Kickstand like the "Comp" from PLETSCHER. How should you park it safely if there is nothing to lean on? It provides a secure stand, especially if it is intended to support the weight of the panniers on the Carrier. It offers standing and standing comfort on city and trekking bikes in size 28".

PLETSCHER offers the "Comp" stand with a healthy Blender of durability and ease of use in relation to the price. The Rear Kickstand is attached to the left Chain Stay near the wheel hub. The hole spacing of the two Mounting Screws is 18 mm (please note!). If you are not sure which stand to choose, take your bike to a specialist dealer.
