

TEROSON Underbody protection "WX 970"

Description

TEROSON Underbody Protection "WX 970"

Wax-based, solvent-based, bitumen-free, anthracite

Corrosion inhibitor with added polymers and rust-preventive additives. Primarily intended for use on vehicle underbodies and specifically for the post-treatment of all protective coatings, such as those based on PVC, PVC/wax, bitumen/rubber, and rubber/resin. Due to its high stability, the material can be applied in a layer thickness of up to approximately 1 mm.

Note: Can be applied using the Teroson UBS gun from the 1-liter suction can, but can also be sprayed directly from the drum using an airless spray system to achieve sharp contours., **1 L suction cup** (for UBS guns)

Article number:	40904369
Original number:	794862
EAN:	4002872114591
EVP:	20.75 €

Technical data

Design	undertray protection
Features	bitumen-free, solvent-containing, adhesive
Colour designation	anthrazit
Main colour	black
Container type	suction can
Main components	wax
Content	1000 ml
Weight	0.860 kg
